DETAILED ACTION

This Office Action is in response to an Application filed on 10/1/2003.

Currently, claims 13-29 pending.

Allowable Subject Matter

1. Claims 13-29 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art, either singly or in combination fails to anticipate or render obvious, the limitations of:
 - ... charging in boat the product substrates accommodated in the product substrate carrier;
 - loading the product substrates charged in the boat into a process tube; and
 - performing a batch process to the product substrates loaded in the process tube, wherein the number of the product substrates processed in the process tube at one time is set to be less than or equal to M and all the product substrates contained in the product substrate carrier are processed at same time, as required by claim 13;
 - ...charging the product substrates accommodated in the provided product substrate carrier in a process tube of the first substrate process apparatus;
 - performing a batch process to the product substrates charged in the process tube, wherein the number of the product substrates processed in the process tube at one time is set to be less than or equal to M and all the product substrates contained in the product substrate carrier are processed at a same time, as required by claim 22.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
